

Saguaro National Park - Saguaro Census Plot #27
March 12, 2010 – Park Staff and Sierra Club Volunteers

Saguaro Plot #27

In this figure, green columns represent the number of saguaros counted in 1990; yellow represent 2006 and blue represent 2010. The x axis breaks down the saguaros into size classes. The total number of saguaros counted is on the far right side of the chart. There has been a decrease in the number of saguaros on the plot since the last Saguaro Census in 2006.
